by Order No. 18-o of the Director  
of Pixel Internet Closed joint-stock  
company dated August 2, 2021 as  
amended and approved by Order  
No. 155-o dated December 30,  
2025

**CONFLICT OF INTERESTS NOTICE**

Hereby, Pixel Internet Closed joint-stock company (hereinafter referred to as the "Company") notifies that they participate in token trading in the Trading System<sup>1</sup>. In this regard, the Company notifies other participants in token trading about a possible conflict of interests and, by publishing this Notice, discloses it to other participants in the token trading.

In order to manage a conflict of interests that can occur because of the participation of the Company in token trading in the Trading System, the Company takes the following measures:

1. Additional control of the Company's officials to ensure an equal (identical) approach to service for all the clients of the Company.
2. Analysis of transactions made by the Company as a token trading participant for compliance with the fair-play principles<sup>2</sup>.
3. Enhanced control of the Company's officials over the Company's employee who is entrusted with the duties of making transactions on behalf of the Company, as a participant in token trading.

Also, the Company informs that basing on commission agreements, agency agreements, management agreements or other agreement (other agreements) Pixel Internet CJSC itself, its employee (employees), founder (participant) or beneficial owner (beneficial owners) can own tokens verified for token trading which is organized in the Trading System.

At the same time, a number of such tokens owned by these persons can make 5 or more percent of the total amount of these tokens (i.e. of the total number of created tokens of this type).
